Larry Clay
Founder & President

As founder and president, Larry oversees all aspects of the business and is a consistent motivator for his team. To our clients he is a creative, authoritative and reassuring presence throughout the building process. His expertise and commitment to premium customer care has earned Clay Construction top awards in customer service. He is an industry leader serving on local, provincial and national home building boards and has been a featured speaker coast to coast. He is passionate about building healthy, comfortable, efficient and durable homes.

Doug Henwood
Director of Finance & Administration

Doug brings 21 years of experience in the custom home building industry holding key positions with several award winning home builders. With a versatile background including General Manager, VP Finance, Controller and Sales Manager, and with cost-plus contracts his specialty, he ensures that client interests are protected and enjoys being a big part of the weekly reporting process. Doug has his CMA (Certified Management Accountant) designation and is a Licensed Realtor in British Columbia.

Mark Van Ek PMP
Director of Project Management, Sr. Project Manager

Mark is a registered PMP (Project Management Professional) and has 27 years of experience as a Project Manager in the construction industry. Mark also has a Bachelor of Technology Degree in Construction Management from BCIT, is Gold Seal Certified through the Canadian Construction Association and holds the ASCT (Applied Science Technologist) and LEED GA (Leadership in Energy and Environmental Design Green Associate) designations. With tremendous expertise Mark maintains our client's confidence, delivering Clay Construction's higher standards to every aspect of their project.

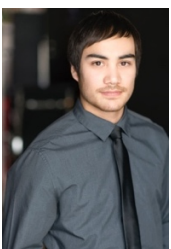

Doug Harrison
Project Manager

Doug has over 30 years in the Lower Mainland residential construction industry. He's had many years of involvement with the Greater Vancouver Home Builders' Association and contributes a wealth of knowledge to the Clay Construction team. He graduated from the British Columbia Institute of Technology - Building Technology and holds the ASCT (Applied Science Technologist) designation. Doug was chair of the technical committee for the Greater Vancouver Home Builders' Association for 7 years and Board member for 6 years. Doug taught the R2000 course for 4 years for the provincial CHBA BC.

Matt Kinvig
Project Manager

Matt is a Project Manager with Clay Construction. He brings with him over 10 years of construction project management experience including estimating, procurement, scheduling and cost control. Matt received the LEED AP (Leadership in Energy & Environmental Design Accredited Professional) designation in 2009 and holds a Bachelor's of Commerce Degree and a Business Administration Diploma. In addition to construction expertise, Matt is uniquely qualified with respect to residential real estate. He has held a BC Real Estate Trading Services License since 2012.

Caleb Clay
Red Seal Carpenter, Jr. Project Manager

Caleb is the head carpenter at Clay Construction. With 8 years of experience in the construction industry, he has had the privilege of working on high end, complex projects by which he has developed an eye for quality and an expectation of excellence in workmanship. He is a Red Seal carpenter and has earned the Associate Certificate in Construction Operations from BCIT. He also attends various Greater Vancouver Home Builders' Association seminars to remain current with best practices in the industry.
